# STUDENT SATISFACTION SURVEY 2024

**UIB**  
SINCE 1992

## **STUDENT SATISFACTION SURVEY 2024**

The survey was conducted from 14.11.2024 to 27.11.2024 via Microsoft Forms with the aim of improving the quality of education and gathering feedback from students regarding the educational process, departmental performance, and their satisfaction with study conditions.

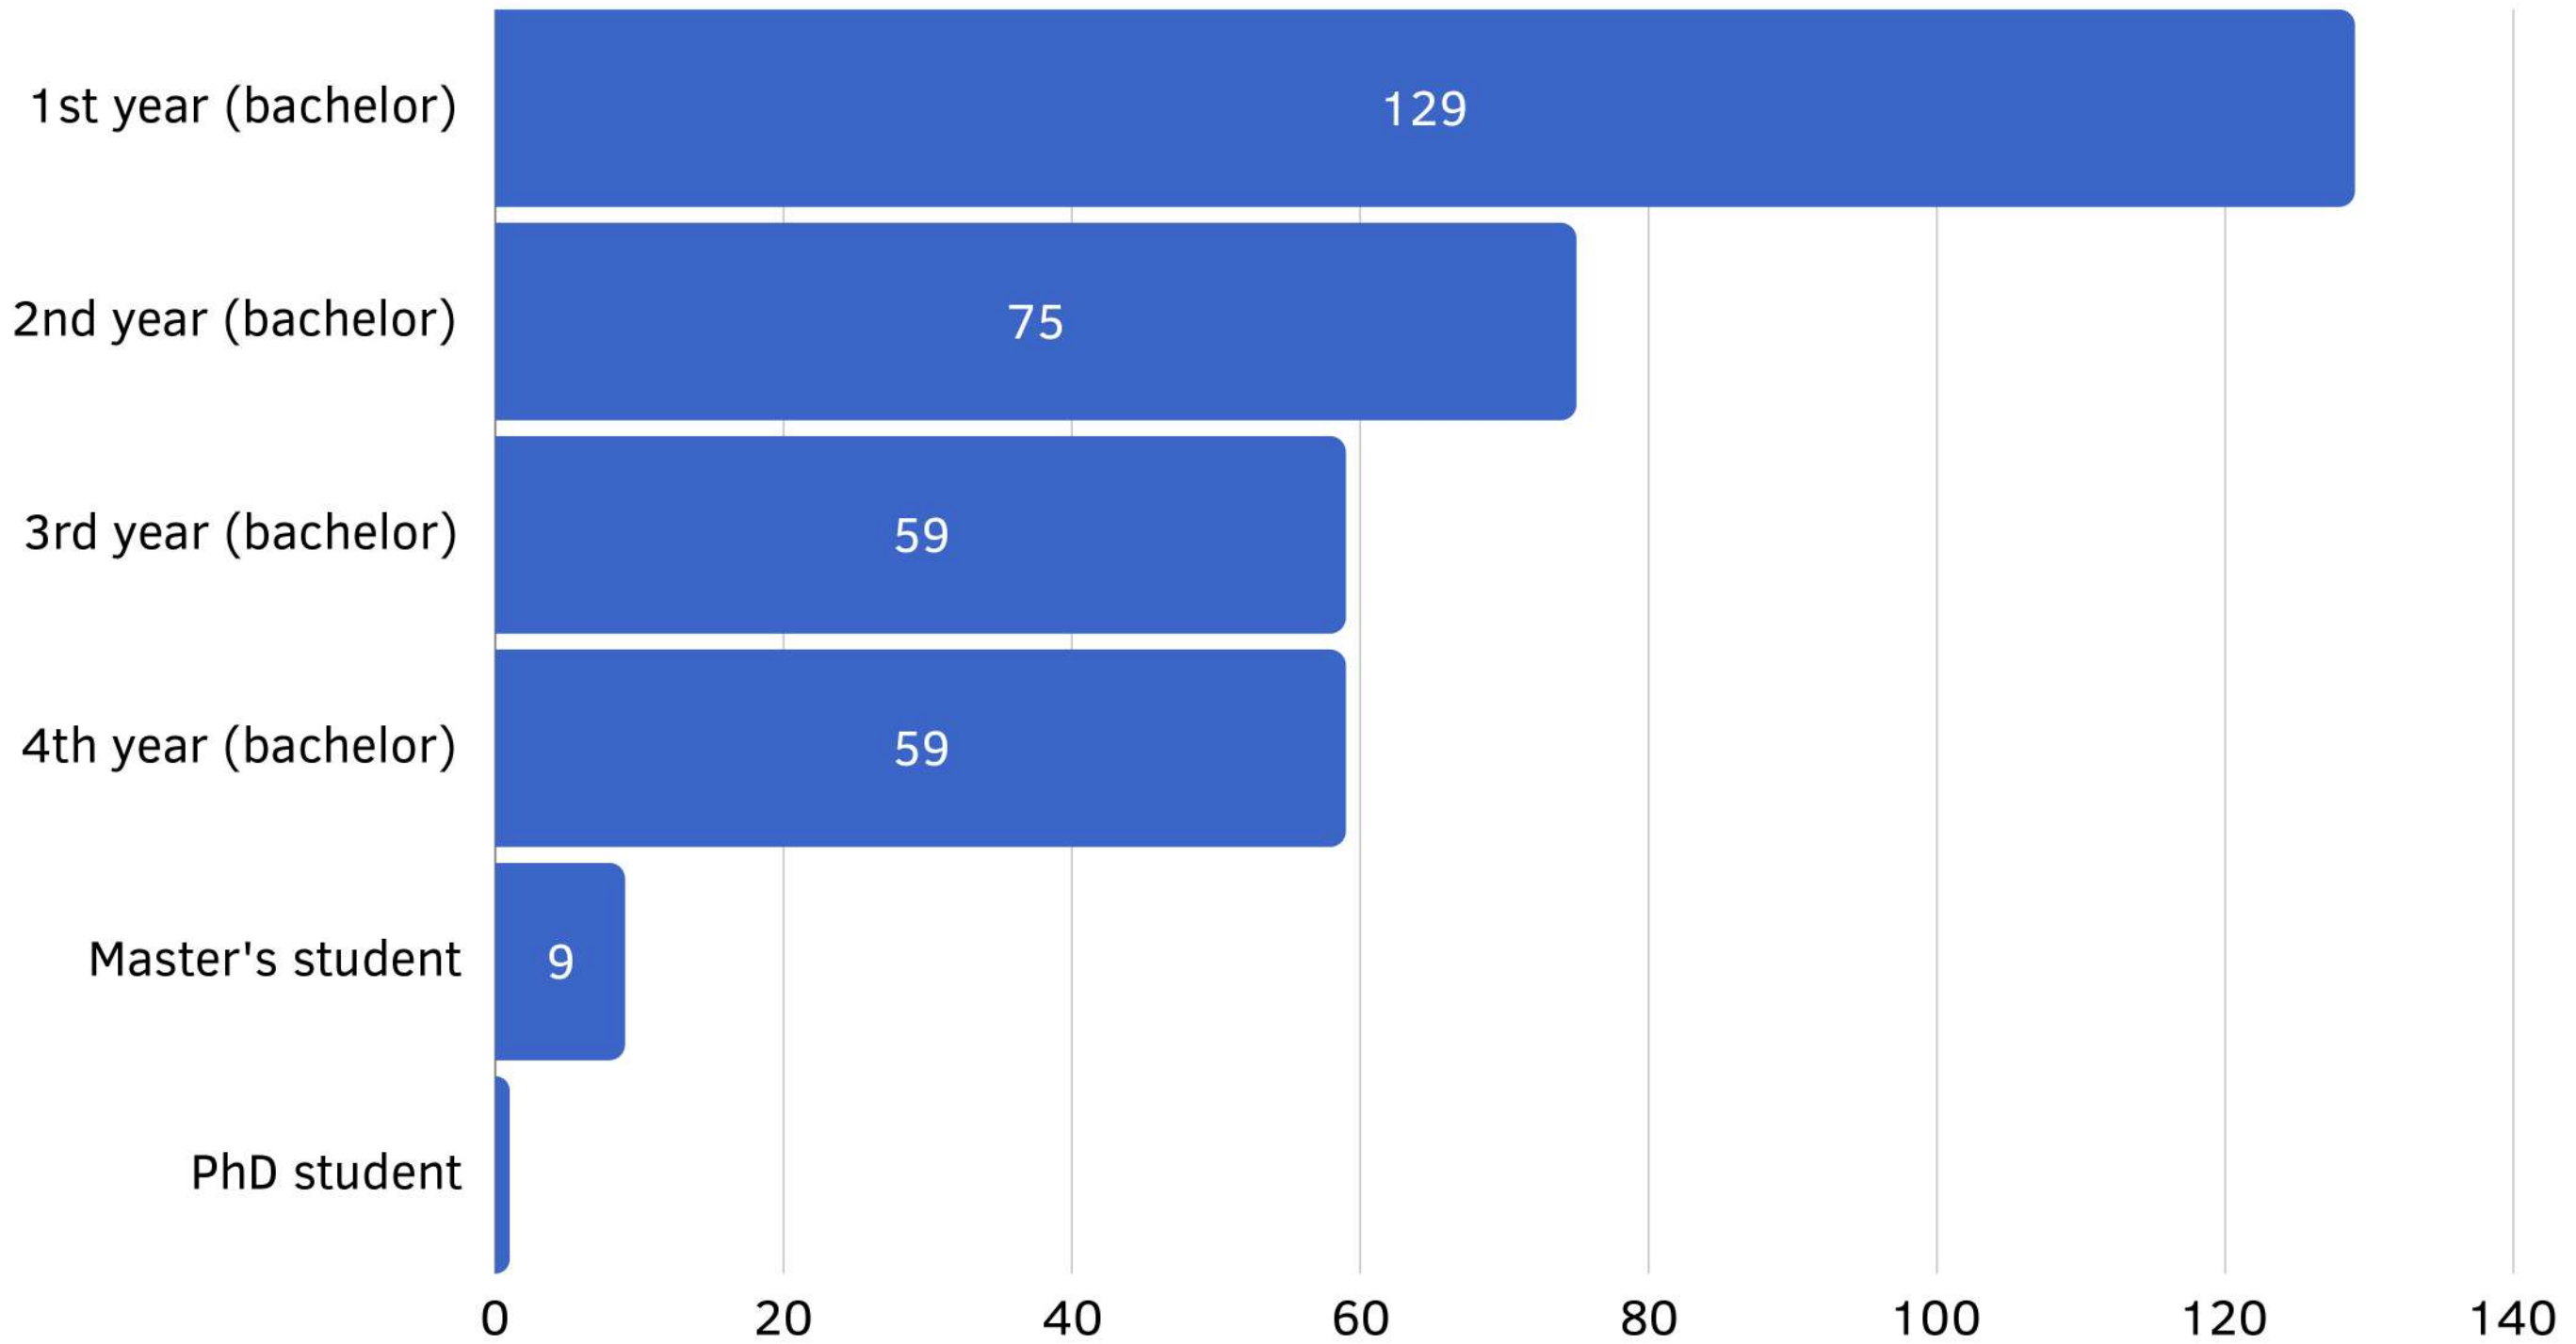

The questions were designed using a 5-point scale, where 1 means "completely dissatisfied" or "completely disagree" and 5 means "completely satisfied" or "completely agree".

Number of respondents: **332 responses.**
